

Negotiating with AI

Advanced Course on AI Integration in Complex Negotiation

Course Schedule and Logistical Details

1. Schedule

The course will take place over three days: May 27 - 29, 2026.

2. Duration and Format

The program consists of three highly interactive Zoom sessions with Miro support, held from 9:00 AM to 12:00 PM (Boston time)/ 3 PM to 6 PM GMT +1 (Geneva time).

3. Content Structure

The course is structured around three progressive modules- technical, tactical, and strategic- combining simulations, applied exercises, and expert-led sessions.

4. Certification

Participants who successfully complete the course will receive a certificate delivered by the Frontline Associates Training Center.

5. Fee

The course fee is USD 240 for the full 9-hour program.

A 20% discount is available for participants from developing countries and graduate students from recognized universities (see application form for further details)

6. Registration and Contact
